### CASSIDY SAYS TAFT'S NOMINATION IS ROPED

Thinks Colonel Made Mis- Opening of the Season at Nine Families Were Given take in Breaking with President

M. E. Cassidy, the republican rooms, the man who writes the mes-sages that the under-dubs deliver to

Garcia, bas sooken. view representative asked the G. O. P. C., meaning a combination of G. O. P. id est grand old party, and P. C. id est prominent citizen. The

he remains in the race for the presidential nomination. It is well known that I have been an admirer of Roosevell for some of his excellent personal for the presidential nomination. It is well known that I have been an admirer of Roosevell for some of his excellent personal for the president with a cough or cold are entirely dependent upon others are troubled with a cough or cold for an existence. Month after month volt for some of his excellent per-sonal traits, and still am, for that matter, but his course of action in with its good quantities. For sale by 448 matter, but his course of action in recent mouths, and more recently a matter of weeks, has revealed to me that my liking for the man is clinging solely to some of his personal traits. In breaking with Taft he made the mistake of his long career, a pathetic nobitake, but the mistake is made and in so doing he has cut assumder and set adrift the personal assumder and set adrift the personal assumder and set adrift the personal assumdant to victory.

As Cassale by the board of trade for attention. During the past month in addition to a number of individuals, nine families were given aid in various wars made and in so doing he has cut assumdant to victory.

As Cassale by the board of trade of the board of trade of the hoard of trade of the hoard of trade of the original transportation. The sum of the most popular men in that state, not withstanding the vigor he displayed as governor of that state. More than that, he is probably the best campaigner in the country, and it believe could carry the republican standard to victory.

As Cassale by the board of trade for attention. During the past month in addition to a number of individuals, nine families were given aid in various wars through the secretary of the charity committee of the board of trade of victory.

As Cassale by the board of trade of the board of trade of the original transport. and political triendship of thousands As Caussidy figures it, Roosevelt and were given special attention. This

years, and mining men conversion with the showing in evidence, spenial to flattering terms of its induce. The purpose of the purchasing syndicate. L'as reported, is to stablish a large permanent camp, and to begin developments on an extensive plan. The men behind the Big line are rated as wealthy and energetic operators.

der will effect between 50,000 and 40,000 head of stock passing through the Houghas custom house curing the month of May.

While there was some talk of local cattlemen forming an association for erection of dipping vats, it is understood that the El Paso and South western will immediately commence construction of the vats, charging a construction of the vats, charging a set rate our head as cattle are run

### WOULD SAVE STATE BIG LOT OF LAND

Attorney General Protests Against R. R. Filing on School Land

PHOENIX, May 3. - Protesting against the Santa Fe railroad company being granted a title to some 5,000 acres which, by the statehood enabling act, are designated as school land, Attorney General George Purdy Bullard will shortly forward a brief o the secretary of the interior.

There is an existing federal statate providing that whenever the boundaries of an Indian reservation are extended to take in land held inder private ownership, the seere tary of the interior may give public land, outside all reservations, in lieu hereof.

In May, 1910 the Santa Fe company made application through the Phoenix land office for some 10,000 cres which it had lost when a reservation in Northern Arizona was en-larged. About half the land asked

acres of school land. Secretary Walter L Pisher in soon
